

**942**

## Chair Glide for ADA Compliance

**Tradition and Innovation** – Since 1858, visionary thinking and a fascination with technology have guided us to develop innovative products of outstanding reliability: Anticipating trends to improve the quality of life.

# 942 Chair Glide for ADA Compliance

## Ergonomic Features

**Heavy-duty stops** on base plate limit distance of travel.

**Tapered track** improves access to patient.

**Locking pedal** secures chair in any position along its 27" path.

**Case-hardened steel rollers** allow you to easily slide chair out of the way for wheelchair access.

## Base Plate Fits Any Surface

The high-density polyethylene plate fits on any floor or carpet and assures quiet travel. Centered on the plate, a track guides the carriage and prevents lateral movement.

## Carriage Fits All Reliance Chairs

A heavy-duty, cast aluminum carriage fits any Reliance exam chair.

## Instant ADA Compliance

Along with a low-base Reliance chair, the 942 chair glide will help you comply with the mandatory requirements of the Americans with Disabilities Act

## Potential Tax Advantages

Apply the entire cost of the 942 to the tax credit provided by the ADA legislation. Check with your tax professional for more details.
